These proposed rules were developed based on comments received during the public hearing for rules previously promulgated and codified. See Washington State Register 05-01-105. These rules will:

- Clarify who the employer of record is in occupational disease claims, and
- Clarify how the department will handle certification for preferred workers with multiple claims.

Reasons supporting proposal:

Agency customers will better understand benefits available under the program, and the department will be able to more consistently and fairly respond to requests for preferred worker program benefits.
